**For parents and students over age 18:** I hereby waive my right to access this recommendation and authorize the above-named person to provide an evaluation and all relevant information to the school for purposes of my or my child's application to attend the school.

Parent/student over age 18 signature: \_\_\_\_\_ Date: \_\_\_\_\_

**For persons submitting recommendation:** The School would appreciate your candid assessment of the applicant's abilities. If the applicant or applicant's parent has signed the waiver above, your recommendation will be kept confidential.

**Purpose:** We appreciate your cooperation in completing this form. Please be candid about this student's academic ability and motivation. We understand the difficulty in evaluating a student and are fully aware that children are constantly growing, changing and developing. This form is only one piece of the student's profile to be used in our assessment process. This form will not become a part of the student's permanent record. Thank you for your thoughtful attention to this request.

entering grades 6-12, page 2**

Please take a few minutes to complete the following in-depth questions about this candidate.

1. Briefly describe the content of your course. What are the frequency, nature, and length of mathematics assignments in and outside of class?

2. How would you assess this student's mathematics skills and general interest in mathematics beyond assigned work?

3. What are the merits and weaknesses of this student's mathematics work?

4. How does this student respond to advice or criticism? Is he/she easily discouraged? Is he/she willing to work to overcome difficulties?

5. What are the student's overall academic strengths and weaknesses?

6. Please make any additional comments regarding this student's abilities, attendance, personal qualities, and special interests.
