# **INFORMATION AND PROCEDURES: INHALERS**

1. Nonessential medication will not be permitted in school or during school-sponsored activities. Any medication taken at school must have the parent- or guardian-signed authorization and physician order if required by regulation.
2. The parent or guardian is responsible for obtaining the physician statement, Part II.
3. A physician may use office stationery or a prescription pad in lieu of completing Part II. Necessary information includes: student name, date of order, duration of order, diagnosis, medication name, dosage, interval for repeating dosage, symptoms, other medications the student is taking, statement that the student may self-administer, physician's signature, and date.
4. Physician samples must be appropriately labeled by the physician to include information requested in Number 3 above.
5. The parent or guardian is responsible for submitting a new form to the school each time there is a change in the dosage or in the time at which medication is to be taken.
6. Medication kept in the school will be stored in an area accessible only to authorized personnel unless approved for the student to carry during school hours.
7. Within one week after expiration of the effective date on the physician order, the parent or guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.
8. In no case may any health or school staff member facilitate the taking of any medication outside the framework of the procedures outlined here.
