### **Week 8: Rock the Robotics**

Dates: July 31– August 4, 2023

Time: 9:00 a.m. – 3:00 p.m.

Tuition: \$395.00

Campers will create projects associated with one of the areas of STEAM each day and have a week-long robotics project. Robotics and programming will be introduced in a straightforward and fun way. We will use the mBot building kit for hands-on learning about electronics, machinery, and robotic components. Your campers will use devices such as Chromebooks and iPads to access Scratch and learn to program step-by-step via interactive software. The mBot will be used like a remote control car, utilizing coding to tackle challenges with its programmable abilities, such as line-follow, obstacle-avoidance, and others. Campers will enjoy a dip at Broyhill Crest pool.
